ROTTERDAM MARITIME SERVICES COMMUNITY

The Rotterdam Maritime Services Community (RMSC) is a strong network of maritime business services providers. We create exposure for our members and represent industry interests.

In addition we develop expert knowledge. In close cooperation with relevant knowledge institutions, governments, and adjacent trade associations. By doing so, we help to strengthen and support the entire Dutch maritime cluster and attract as well as retain talent.

We utilise new and existing markets. This provides valuable opportunities for the region to present itself as the international frontrunner for maritime business services. And being an attractive place of residence for every type of maritime business.

Furthermore we stimulate cooperation on issues that determine the international competitiveness of the Rotterdam and surrounding business regions.

UNDISPUTED MARITIME CAPITAL OF EUROPE

In the 2022 version 'Leading Maritime Cities' report MENON Economics states that Rotterdam is the global runner-up, only leaving Singapore ahead. Acknowledging the position of Rotterdam as the undisputed maritime capital of Europe.

RMSC members are indispensable and play a major role in the success of the (regional) maritime cluster. Their knowledge and services facilitate and enhance the innovative power and the competitive advantage of the maritime industry.

WE STRIVE TO

- Strengthen the position of the regional maritime business services industry;
- Provide additional value to the regional cluster of maritime business services providers;
- Develop and distribute specific industry knowledge;
- Create exposure for the industry and our members in the (international) arena;
- Facilitate and intensify connections between business services providers, individual maritime sectors, governments and knowledge institutions;
- Attract and retain talent for the maritime business services cluster.

Strengthen your network and become a member
of the Rotterdam Maritime Business Services Community.

*"Rotterdam can be proud on its
maritime business services industry.
The Rotterdam Maritime Services
Community is a powerful collaboration
to position Rotterdam as a leading
center for maritime businesses."*

Ahmed Aboutaleb
Mayor - City of Rotterdam

WHY BECOME PART OF THE COMMUNITY?

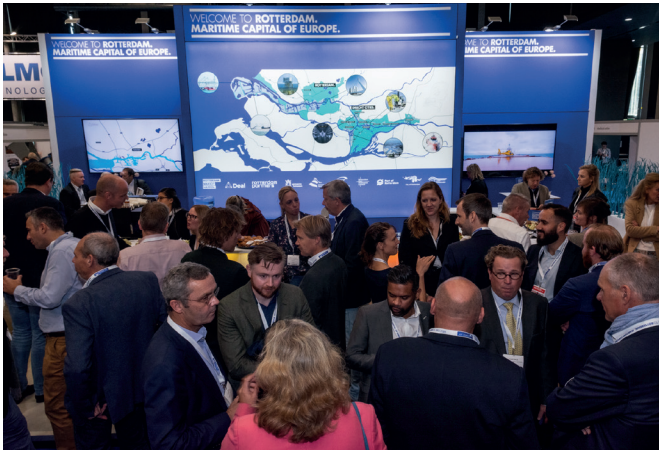

As a member you have access to a powerful network of maritime business service providers, other sectors of the maritime industry, governments and research institutions. In addition you get the opportunity to increase your visibility towards prospects, clients and stakeholders.

By becoming part of the community you are invited to address important industry issues and we open the door for young professionals to build valuable network relationships.

The RMSC is keen to help strengthen your competitive advantage as well as to play a role in facilitating innovation and enhancing business for the entire regional maritime cluster.

Stay up to date about relevant developments for the maritime business services industry and follow our LinkedIn company page: @Rotterdam Maritime Services Community.

HOW TO JOIN?

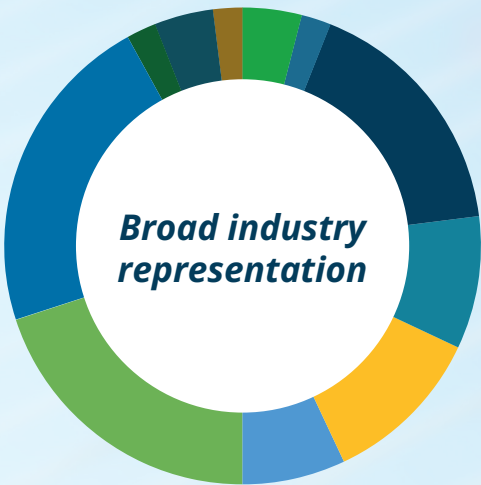

If you would like to apply for membership please fill out the form on the website. On this page you can also find information about the membership fee.

Membership is open for companies active in the maritime business services industry who are either based in the greater Rotterdam region or who have strong affiliations with the city of Rotterdam and the Rotterdam port industrial complex. For companies or institutions not directly active in one of the represented business services, an associate membership might be applicable. Feel free to contact us for more information about membership possibilities.
